Dear Messrs. Smith and Smith:

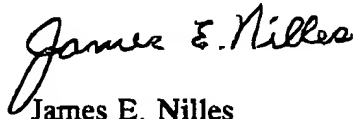

We received the Decision on Petition mailed June 25, 2002 in the above-captioned patent application, and we are presently gathering additional documents to be submitted with another Declaration and Statement of Facts by Christian Hamon to be filed with a Renewed Petition Under 37 CFR 1.47(a).

We received a fax from our French associate on August 9, 2002, in which we were advised that Mr. Hamon is on holiday until August 26, 2002 and cannot be contacted before that date. Consequently, we request an extension of time of one month from August 25, 2002 to September 25, 2002 in which to file a Renewed Petition and a Declaration and which will include additional documentary evidence.
